State President and Membership Chairman Report
C. Michael Clepper and Robert P Wahls
January 2020

On Friday, December 13, 2019 Bob and I and our wives headed for Blairsville where we checked into our motel and relaxed a little until Dwaine and Chris Shupe picked us up and we headed for Indiana. Upon arriving at Indiana we were met by Trustee Tom Livingston, Lonas Smoke, and Secretary Dave Taylor. In their ballroom they were having a benefit for Community Living & Learning which is for children with learning disabilities. They gave all the children iPads. They had quite a crowd. As I went around the bar talking to people members Bob Telk and Jeff Fenton each made a donation to my charity. The Aerie also made a donation to my charity. I also talked to M J Lopez the Auxiliary Treasurer and her husband Robert Lopez along with the Auxiliary V P, Dawn Balogh and her husband Dennis Balogh along with Donna Betsa. After going back to Blairsville Aerie for a few beverages we returned to the motel for a good night's sleep.

On Saturday morning Dwaine and Chris picked us up and we headed for Derry where coffee and donuts were waiting for us. We talked with President Jim Castellani, Trustees Mark Bolen, Rick Starry, Jeff McFarland and his wife V P Lori McFarland. Secretary Kim Bolen could not be there because she had a major foot operation in October and still can't walk. They presented me with a gift bag. District Director Ned Pennavaria joined us in Derry for the remainder of our visitations. Bob and I congratulated them on their membership. They are at 146% through November.

From Derry we were off to Tony Angelo Aerie in Latrobe and upon arriving we were greeted by Secretary Ed Butina and Vice President Rick Jasper. They had a couple of large submarine sandwiches for us. We sat around and talked to Chauncy Davis and his wife Bev, Bob and Russ Herr, Jim Crossan, Jerris Weller, Tim Korona, and Jeannie Ashley. We had the pleasure of meeting sixty year member Jim Myers. Secretary Ed Butina presented me with a check for my charity.

Next, we were off to Jeanette where we were met by Trustee Bill Ketter, Steve Hicks and Treasurer Dave Saka. We talked with Mike Daykon and bartender Debbie Brandt. Jeanette is also doing well in their membership but we encouraged them to try to get more members.

Our next stop was Irwin where we were met by Secretary Lori Hohman and Conductor Michelle Davis, and VP Ed West. Irwin also had some food for us and they also presented me with a check for my charity. Al Bunda, Chaplain Robert Williams, and Bartender Leah Timko who is also the Inside Guard joined the conversation about membership. Bob and I told them that they were doing well at 129% and hoped that they would get to 200% by the end of the year. Irwin also presented me a check for my charity.

Upon leaving Irwin we dropped Ned off to get his truck and headed back to the motel to rest a little before we went to Blairsville for their Christmas Party. Dwaine and Chris picked us up at 5:30 PM to head to the Blairsville Aerie for their Christmas Party. We met bartenders Nancy Hudson and her sister Carolyn, Shawn McMillen, and Mike Duffy. The place was crowded and I don't think you could have found another seat anywhere. The food was great and I sure am not losing any weight with all of these visitations. I walked through the Aerie introducing myself and passing out my pins. After dinner Secretary Dwaine Shupe, President Bill Johnson, and Trustees Terry Gunder, Larry Graham, and Jim Alexander presented me with a check for my charity. I gave a little talk on my charity. The crowd hung on for a few hours as did we. As the night was winding down Dwaine and Chris took us back to the motel where we got a good night's sleep. We awakened on Sunday morning and had breakfast and then headed back to Carlisle.

Fraternally,
Mike and Bob

Message from Charity Chairman:

What Is Cancer?

Cancer is a group of diseases characterized by the uncontrolled growth and spread of abnormal cells. If the spread is not controlled, it can result in death.

Although the causes of cancer are not completely understood, numerous factors are known to increase the disease's occurrence, including many that are modifiable (e.g., tobacco use and excess body weight) and those that are not (e.g., inherited genetic mutations and immune conditions). These risk factors may act simultaneously or in sequence to initiate and/or promote cancer growth.

Can Cancer Be Prevented?

A substantial proportion of cancers could be prevented, including all cancers caused by tobacco use and other unhealthy behaviors. According to a recent study by American Cancer Society researchers, at least 42% of newly diagnosed cancers in the US – about 740,000 cases in 2019 – are potentially avoidable, including the 19% of all cancers that are caused by smoking and the 18% that are caused by a combination of excess body weight, physical inactivity, excess alcohol consumption, and poor nutrition. Certain cancers caused by infectious agents, such as human papillomavirus (HPV), hepatitis B virus (HBV), hepatitis C virus (HCV), and *Helicobacter pylori* (*H. pylori*), could be prevented through behavioral changes or vaccination to avoid the infection, or treatment of the infection. Many of the more than 5 million skin cancer cases that are diagnosed annually could be prevented by protecting skin from excessive sun exposure and not using indoor tanning devices.

Screening can help prevent colorectal and cervical cancers by detecting precancerous lesions that can be removed. It can also detect some cancers early, when treatment is more often successful. Screening is known to help reduce mortality for cancers of the breast, colon, rectum, cervix, prostate, and lung (among current or former heavy smokers). In addition, a heightened awareness of changes in certain parts of the body, such as the breast, skin, mouth, eyes, or genitalia, may also result in the early detection of cancer.

The Fraternal Order of Eagles has been helping with the fight against this horrible disease since 1944. Your donations have helped with the advancement of treatments and research for cures. State President Mike Clepper has chosen the Cancer Fund as his Charity this year, as the Pa. State Charity Chairman for the Cancer Fund, I urge all Aeries & Brothers to continue with their efforts to raise funds to find a cure. If you have any event planned to raise funds for the fight against cancer, please let me know.

Fraternally

Continued Christmas tradition of giving at Waynesburg Aerie #598

Waynesburg Fraternal Order of Eagles Aerie 598 and Charles Wolfe, Secretary, and his family of 9, Donna Arthur, Madam President, along with over 20 volunteers made the Second Annual FREE Christmas Day dinner a tremendous success.

Charles Wolfe is a county native who recalls attending St. Ann's annual Christmas Day Dinner with his mother. When he grew up and moved away, the dinner ceased to commence. Upon returning to Greene County, he noticed the need for something similar. So last year, with the help of his wife, their family and a handful of volunteers, Wolfe coordinated the Eagles' first-annual Christmas Day Dinner. "Last year was much more than we anticipated. There's a need much bigger than we thought."

Dinner was free to those in need, whether it be the need of a hot meal or just to have someone to spend Christmas with. The children received a special gift thanks to one of our continued sponsorship members Sabrina Ellis and her family. It was so nice to be able to give them gifts. In some cases this may have been all they received this year. It warms our hearts that we could do this for so many in need. Once our guests ate, they volunteered to help. There were children helping and that really touched us.

Our goal this year was to serve all of Greene county. Last year we served close to 600 meals and this year we served and delivered over 850 meals. The menu included ham, turkey, mashed potatoes and gravy, stuffing, egg noodles, green beans, macaroni salad, roll and dessert.

Local businesses and community members contributed. Noting the Waynesburg KFC, Fredericktown Butcher Shop, Waynesburg Walmart and so many more all donated food or desserts. Last year, the crew went through six hams and eight turkeys. This year we doubled that.

We started accepting donations for this year's meal in mid-September and continued until Christmas Eve at 6 p.m. To fund raise for this event, the Eagles conducted a \$2 raffle, with the winner, who received \$1,000.00. For our third annual FREE Christmas DAY dinner we will be conducting 4 raffles, one each quarter, to raise money for this event.

We are so thankful there are so many people willing to help. Our members and this community that our Eagle nest resides in are a wonderful and caring bunch. We at the Eagles are **"People Helping People"**, and that's what we want to do.
