Welcome to Carlisle Borough

Dear Friends:

Founded in 1751, Carlisle Borough is one of Pennsylvania's most treasured historic communities. Located in picturesque south-central Pennsylvania, Carlisle's history is rich, ideals are plentiful, and diversity abundant.

Strolling through historic downtown, one is greeted by unique architecture, quaint shops, and overall serenity. Carlisle's tree-lined streets invite residents and visitors alike to walk the same paths as those walked by the Commander of the Continental Army and President of the United States, George Washington; Declaration of Independence signer, James Wilson; Olympic medalist, Jim Thorpe; Battle of Monmouth heroine, "Molly Pitcher"; and the list goes on and on!

With a reputation as a growing and viable community, historic Carlisle continues to meet the ever-evolving economic needs of its citizens. Success is evident on every street corner; from small businesses to large corporations, Carlisle is embracing the world of tomorrow. The combination of small and large retail businesses, along with the addition of technology-based firms, and strong service industries, the community has reinvented itself.

Civic pride appears throughout Carlisle's well-maintained community. Restored homes, manicured lawns, and flower boxes reflect the pride of homeownership where peoples of all economic backgrounds have achieved the "American Dream" through affordable housing and high employment standards. Citizens continually volunteer and support local programs involving the elderly, youth and disenfranchised revealing the moral fiber of this great town.

Within easy walking distance of downtown Carlisle, a nurturing town/gown relationship has formed with

Dickinson College, **Dickinson School of Law of Penn State University** and the **U.S. Army War College** known throughout the United States and abroad for their respective curriculums.

Carlisle's cultural environment is a diverse mix typified by its **award-winning restaurants**, **downtown theatre**, historic sites, and multi-cultural events. One doesn't need to venture outside the town's limits to dine on world cuisine, discover artisans, experience

unending entertainment, or enjoy recreational activities. Children and adults will find the Borough's 18 public parks places to relax and unwind. With biking, hiking, tennis, basketball, and a local community center readily available... recreation abounds!

We welcome all Fraternal Order Eagles Members to the Eastern Regional Conference at Aerie #1299.

The Borough of Carlisle

"Committed to Excellence in Community Service"
