MEMBERSHIP REPORT- October 2021

September starts a new beginning for many as the kids are back in school, Aeries get busier with activity as Fall and Winter approach. Our members are at the Aerie homes more. My messages will NOT focus on where The PA State President and I went during the month and everyone we visited. They will focus more on how to grow membership.

One of the biggest challenges we face is increasing membership. It is hard to know how to do it. We often do not really review what ways help and what ways are a bust. When you look at examples of how our organization and others have attracted members you see great success in many examples.

GET HELP FROM CURRENT MEMBERS:

1. Host a "bring a friend" meeting Encourage members to bring someone. This could even be a recurring event so that new members are continually bringing new friends!
2. Reach out to former members Some people might be ready to come back. Write them a letter and waive re-enroll fees.
3. Encourage members to share your newsletter
4. Invite members' families to events Spouses, siblings, parents, and (grown-up) children are all potential members. Try to have a family friendly event.
5. Help members develop an a "speech" about their membership Why are they members? What's the biggest benefit of membership? Can they explain the purpose of the club?
6. Ask your members for recruitment ideas They may have an idea you haven't thought of before or know about opportunities within their own social networks.
7. Offer an alternate meeting time to attract people with different schedules Is your meeting time leaving out a whole group of people, like those with 9-5 jobs or early bedtimes? Switch up your offerings to attract more people.
13. Conduct exit interviews with departing members When you know why people are leaving, you can start figuring out ways to keep them. Try to save all members that are leaving by having a committee call them on the phone.
14. Create perks for club members who recruit new members Little perks and freebies can really motivate people. Think about gift certificates, a shout-out at your next meeting, or even reserving a coveted parking space for members who bring in new blood.
15. Use digital and social media to attract members.
16. Put a float in a parade. Have your name on the float. These are just a few ideas to consider. One year my Aerie added over 60 re-enrolled members by simply sending a letter an application and asking them to join again. We signed them in quickly and are happy they are back. Please share these ideas with members. ASK SOMEONE TO JOIN TODAY.

Hello Brothers and Sisters,

My Name is John Jordan from New Kensington Aerie # 533. Eastern Regional President Dwaine Shupe gave me the honor of being chosen as the Eastern Regional Charity Chairman of the F.O.E. Cancer Fund.

As you may know Cancer has touched the lives of every household. It is a devastating disease that causes not only bodily disease but with the treatments it also causes strain on you and your loved ones emotions.

The Cancer death rate in the United States is 158.3 per 100,000 men and women per year.

The Cancer morality rate for men is 189.5 per 100,000 per year.

The Cancer morality rate for women is 135.7 per 100,000 per year.

Cancer treatments are very expensive, with your help we can find cures and better treatments to lower these death rates.

What I am going to do with your help is sell two 50-50 raffles throughout the year at \$ 2.00 per ticket based on the Pa. State lottery and sell 500 tickets. That will be \$ 500.00 to the winner and \$ 500.00 to the charity each time. If it goes well I will try a third set of tickets.

I am also asking if possible for each Aerie and Auxiliary to hold a fund raiser of some type for the Eastern Regional Cancer charity Fund. Any amount of fund raising money or a donation will be greatly appreciated.

Mail all checks to Grand Aerie F.O.E. Attn: Kim Pifer 1623 Gateway Circle South Grove City Oh 43123

Make check to F.O.E charity Foundation (Memo: Cancer Fund}

Thank you and God Bless you all

Reminder that your 990 for Year Ending May 31

You must have a 990 filed for the most recent fraternal year ending May 31. If all extensions were filed, deadline is April 15. All extensions must be submitted to the Grand Aerie Compliance Department.

The local Aerie and Auxiliary 990's are due October 15 with the IRS. The IRS does not have the Grand Aerie classification updated at all of their tax return centers. The Grand Aerie classification was changed from a 501(c)10 to a 501(c)8 in 2007.

All 990 returns should include a copy of the April 5, 2007 IRS Determination Letter. This will avoid local returns being rejected.

House Rules Approved By Grand Aerie

All Aeries & Auxiliaries, per Section 122.4 of the Grand Aerie Constitution & Statutes and Rules & Regulations, must have their House Rules submitted to the Grand Secretary's Office for approval. Those who have yet to submit their House Rules or whose House Rules have been rejected will be considered out of compliance until their House Rules are properly approved. Any House Rules posted which have not been approved are NOT ENFORCEABLE.

Bond or Employee Dishonesty Coverage

Your policy MUST include bond or employee dishonesty coverage in order to be considered in compliance with the Grand Aerie.

Liquor Liability Insurance

Obtaining Liquor Liability Coverage protects you in the event a patron causes property damage, physical damage to another individual or causes harm via a motor vehicle after being served at your establishment. A select number of states do not have dram shop laws, which means the establishment cannot be held responsible for the actions of an individual served there. In these states (Delaware, Kansas, Louisiana, Maryland, Nebraska, Nevada, South Dakota and Virginia) it is not required for an Aerie to obtain Liquor Liability Insurance.

General Liability Insurance

You must submit the entire General Liability Insurance policy for the Aerie and Auxiliary with the Grand Aerie Fraternal Order of Eagles named as Additionally Insured. Auxiliary must either be a policy owner on the Aerie's policy or have their own separate policy.

Bond or Employee Dishonesty Coverage

Your policy MUST include bond or employee dishonesty coverage in order to be considered in compliance with the Grand Aerie.

Signed Affiliation Agreement

As some of you may know, the Grand Aerie and some local Aeries have been found liable in recent lawsuits, costing the organization in dollars, valuable membership and leadership and adding additional stress and frustration which inhibits our ability to grow. With these situations and the protection of our members in mind, our legal team drafted the Affiliation Agreement. The Agreement provides protection to local members, officers, their buildings and property, as well as the Grand Aerie, and provides us with a valuable resource to guide decision-making on all levels.

The Worthy President and Secretary of the Aerie are required to sign the Affiliation Agreement and send it back to the Grand Aerie Office to the attention of the Compliance Administrator. Once received, a Grand Aerie official will also sign the agreement and send a copy back to your Aerie for record keeping purposes. The Affiliation Agreement is located in the MMS Admin section of the Member Management System (MMS) for your review and signature.

Further, the Affiliation Agreement requires each Aerie to enter into a similar agreement with each of its Auxiliaries, clubs within a club (such as REAC, Eagle Riders, etc.), and any other subordinate groups. A sample agreement has also been placed in the reports section of MMS for your reference. Please note the waiver on the first page of the agreement. Due to the variations in the laws across the United States, we cannot give each Aerie a finalized form to use, but we wanted to at least give an example of what the agreement between your Aerie and its associated groups could look like.

F.O.E. #812 CLEARFIELD

A fitting day to honor our local first responders. The Fraternal Order of Eagles, Aerie #812 of Clearfield, held a benefit dinner on [Saturday](#), 9/11, where the Aerie members raised money to donate to our local fire and police departments. The Aerie provided the responders with a free chicken bbq dinner and was able to donate \$15,000 (\$1,500/ea) to the Clearfield Borough Police, Lawrence Township Police, Clearfield County Sheriff, Clearfield Borough Fire Dept, Lawrence Township Station 5, Lawrence Township Station 7, Hyde Fire Dept, Lecontes Mills Fire Dept, Goshen Township Fire Dept and the BJW Fire Dept. Past Worthy President and current Vice President of the Aerie, Steve Biancuzzo, along with Borough Councilman and F.O.E. member Steve Livergood led the presentation with several remarks and donation checks were presented to the respective representatives of each department. The Aerie would like to thank all of those involved in helping with the benefit dinner, as well as their members that made it possible to donate to their local first responders. They would also like to thank each and every first responder for their service and sacrifice.

“PEOPLE HELPING PEOPLE”

F.O.E. 812, of Clearfield, held a benefit Spaghetti dinner on [Saturday, August 14th](#), to benefit two of their members (Kathy Johnson and Jim Aughenbaugh) who recently lost their son unexpectedly to medical complications. The Aerie was able to raise \$2,809.00 for the family.

EAGLE VILLAGE

Dwaine Shupe, Pa State Secretary has asked me to be the Eastern Regional Chairman of the Eagle Village Charity.

Eagle Village was launched in February of 1961 in Bradenton, Florida. In the beginning there were fourteen cottages for Eagle members who were at least sixty (60) years of age and been an Eagle member for at least twenty-five (25) years. Sixty years later there are eighty five (85) cottages and the minimum age requirement has been reduced to fifty-five (55) years of age and you must have been a member for at least ten (10) years. You must be retired.

Eagle Village is a nice quiet community for Eagle members to retire. There is a library, a town hall, offices, an archive room, a large swimming pool, and a brand new recreational facility which opened in February of 2019, shuffleboard courts, and a three acre lake. The average rent is \$550.00 per month. Demands are now being placed on Eagle Village for further development to serve the increased demand for people who want to become residents of Eagle Village.

Over the years Eagle Village has been fortunate enough to receive donations from Provincial and local Aeries and Auxiliaries as well as from individual members. I am encouraging all Aeries and Auxiliaries to run some fund raisers for Eagle Village to help our retirement village to expand and keep making improvements to our existing village. There is at least a five (5) year waiting list to become a resident of Eagle Village so if you think that you may want to retire there in a few years you should put your name on the waiting list now. If you later change your mind, you may remove you name from the list.

There are five (5) units that may be rented during the year for a maximum of two (2) week period during the year for \$400.00 per week.

C. Michael Clepper
Eastern Regional Chairman of Eagle Village

Welcome to Carlisle Borough

Dear Friends:

Founded in 1751, Carlisle Borough is one of Pennsylvania's most treasured historic communities. Located in picturesque south-central Pennsylvania, Carlisle's history is rich, ideals are plentiful, and diversity abundant.

Strolling through historic downtown, one is greeted by unique architecture, quaint shops, and overall serenity. Carlisle's tree-lined streets invite residents and visitors alike to walk the same paths as those walked by the Commander of the Continental Army and President of the United States, George Washington; Declaration of Independence signer, James Wilson; Olympic medalist, Jim Thorpe; Battle of Monmouth heroine, "Molly Pitcher"; and the list goes on and on!

With a reputation as a growing and viable community, historic Carlisle continues to meet the ever-evolving economic needs of its citizens. Success is evident on every street corner; from small businesses to large corporations, Carlisle is embracing the world of tomorrow. The combination of small and large retail businesses, along with the addition of technology-based firms, and strong service industries, the community has reinvented itself.

Civic pride appears throughout Carlisle's well-maintained community. Restored homes, manicured lawns, and flower boxes reflect the pride of homeownership where peoples of all economic backgrounds have achieved the "American Dream" through affordable housing and high employment standards. Citizens continually volunteer and support local programs involving the elderly, youth and disenfranchised revealing the moral fiber of this great town.

Within easy walking distance of downtown Carlisle, a nurturing town/gown relationship has formed with

Dickinson College, Dickinson School of Law of Penn State University and the U.S. Army War College known throughout the United States and abroad for their respective curriculums.

Carlisle's cultural environment is a diverse mix typified by its award-winning restaurants, downtown theatre, historic sites, and multi-cultural events. One doesn't need to venture outside the town's limits to dine on world cuisine, discover artisans, experience

unending entertainment, or enjoy recreational activities. Children and adults will find the Borough's 18 public parks places to relax and unwind. With biking, hiking, tennis, basketball, and a local community center readily available... recreation abounds!

We welcome all Fraternal Order Eagles Members to the Eastern Regional Conference at Aerie #1299.
