MOTHER'S DAY a Proud Tradition **Started By** **PGWP Frank E. Hering**

For more than a century, the second Sunday in May has been set aside to honor mothers everywhere – and it all started with a push from the Fraternal Order of Eagles. On February 7, 1904, Fraternal Order of Eagles Past Grand Worthy President Frank E. Hering made a public plea to recognize mother's everywhere. A decade later, President Woodrow Wilson signed a proclamation making Mother's Day a reality. The achievement remains one of the most significant milestones in the history of the organization. From preparing brunch to buying cards and flowers, the spirit of Hering and the F.O.E. lives on through our actions each Mother's Day. While the F.O.E. continues to celebrate and take pride in the creation of Mother's Day, many citizens are unaware of the organization's work toward making the holiday a reality. Hering, a faculty member at the University of Notre Dame, found inspiration for the holiday when he stumbled upon a classroom of students preparing postcards to send home to their mothers. The generous task inspired him to create a day specifically for honoring and recognizing mothers. Serving as Grand Worthy President in 1909 and 1911, Hering used his position of influence to spread his idea for Mother's Day. Soon the enthusiasm swelled throughout the organization and Eagles across the country were eager to see their dream become a reality. Aeries began hosting their own celebrations to honor mothers and finally their hard work paid off as President Wilson designated May 10, 1914, the first Mother's Day. Several organizations have stepped forward in an attempt to take credit for the holiday, but documented evidence shows that Hering – and the Eagles – were the true founders of Mother's Day. In 1925, the Society of War Mothers introduced Hering as "The Father of Mother's Day" before an audience of Congressmen at the Tomb of the Unknown Soldier cementing his legacy – and that of the Eagles – as the founder of Mother's Day. As we celebrate another Mother's Day more than 100 years after Wilson officially recognized the Eagles' work, we ask citizens everywhere to honor the important women in their lives and remember the passion and dedication an organization shared with the world to make it all possible

Good morning, met with senator Yaw, some other dignitaries as well as the House Speaker Joanna McClinton.

I've spoken to operators, business owners, veterans and first responders at several events across the state to highlight the importance of skill games, including one last week at Miele Manufacturing. The company produces products for the amusement industry, including skill games, right here in Muncy, PA and provides good paying, family-sustaining jobs in our community.

Skill games help small businesses and veterans' organizations pay their staff, pay their bills, maintain their establishments and pay for donations to help their communities. But now, extreme new tax proposals have put the supplemental income from the games at risk.

That's why I introduced [Senate Bill 626](#), which protects these organizations from devastating taxes they can't afford.

I asked attendees at each event to tell their senators and representatives how skill games have helped their organizations and ask them to support Senate Bill 626
